The Tennessee Storm Water Multi-Sector General NPDES Permit for Industrial Activities (TMSP) expires on December 31, 2006. The division has drafted a revised TMSP permit and is soliciting public comments on the draft permit.

The hearing officer may limit the length of oral presentation in order to allow parties the opportunity to speak, and will require that all testimony be relevant to water quality issues. Written testimony will be accepted at the hearing and for ten (10) days following the hearing, and will be considered part of the hearing record.

Interested persons may obtain additional information, a copy of the draft permit, the fact sheet, and inspect and copy forms and related documents at the Division's Central Office at the address listed above or at any of the Environmental Field Offices (EFOs). Please call 1-888-891-8332 for the nearest EFO.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means and should be made no less than ten days prior to the meeting date, to allow time to provide such aid or services. Contact the Tennessee Department of Environment of Conservation, ADA Coordinator, Kim McCrary, 7th Floor Annex, 401 Church Street, Nashville, TN 37243, (615) 532-0211. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298)
